## School Open House

There will be an opportunity on Monday, August 28th from 6 –7:30 pm for students and parents to meet their teacher and see their classroom. We encourage students to bring their school supplies that night and receive a small gift for doing so.

## Distance Learning Fridays

Fridays will be Distance Learning for all students. On Fridays, you will receive an email from your child's teacher with the assignment for the day. Please make sure you confirm with the teacher via email that the assignment has been received. Failing to do so will mark the student absent for that day.

## Field Trip

Students will be going to Bay Beach the first week of school.

K4-6th will go on Wednesday, August 30th. We will leave the school at 9:00 am, and return by school dismissal time. Any children in a booster seat or car seat will need to make the seat available for the field trip. This will apply for any field trips taken this school year. 7th– 12th will go on Thursday, August 31st.

Students will need to bring a sack lunch. Dress code is as follows: Red polo, guys blue jeans (no rips/tears), girls jean skirt, or Modesty in Motion culottes.

Students can also choose to wear their uniform with a red polo. Any tennis shoes are acceptable.

**If parents are planning on attending, they will need to let me or Pastor Jeremy know by no later than this Tuesday.**

## Gradelink

The school now utilizes a new Student Information System known as Gradelink. You will be able to view billing statements, pay online (with a small fee), view your child's academic progress, and communicate with teachers. Emails have been sent with the information for you to login to Gradelink. Please do so as soon as possible.

## Billing Statements

A hard copy of your billing statement was sent out today. We apologize for the delay, but ask that you promptly take care of any fees and/or tuition that is due.
